Medical conditions

Please answer these questions in relation to yourself and your travelling companions and contact the pre-screening service if necessary. Serious medical conditions suffered by people who are not insured on the policy but on whom your travel plans depend should be declared to us as material facts. Please see section headed material facts. Please note calls may be recorded.

1. Have any of you ever suffered from or been investigated or treated for or diagnosed with:
- any cancer or malignant condition
 - any lung or heart related conditions (including angina)?

No

2. Do any of you suffer from any other pre-existing medical conditions as defined?

No

You do **not** need to contact the medical pre-screening line. Your medical conditions (if any) will be covered.

Please note

You are **not covered** for any related claims if you;

- have any medical condition as a result of which a medical practitioner has advised you not to travel or would have done so had you sought his or her advice.
- have been given a terminal prognosis.
- are on a waiting list for treatment or investigation.

Yes

There is **no** cover for claims related directly or indirectly to these conditions unless declared to us and confirmed in writing.

Yes

In most cases, cover can be provided. If special terms are necessary we will explain them to you and confirm them in writing.

Definition of pre-existing medical condition:

Pre-existing medical condition means any condition that has been suffered or for which medical advice (including routine check-ups), investigation, treatment or medication has been received within the 12 months prior to the date that this Insurance was arranged or the date that you subsequently made arrangements for a trip (on an annual multi-trip policy).

Important features

We would like to draw your attention to some important features of your insurance including:

1. Insurance document

You should read this document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover can vary from one policy to another so you should familiarise yourself with this particular insurance.

2. Conditions and exclusions

Specific conditions and exclusions apply to individual sections of your insurance, whilst general exclusions and conditions will apply to the whole of your insurance.

3. Health

This insurance contains restrictions regarding pre-existing medical problems concerning the health of the people travelling and of other people upon whose health the trip depends. You are advised to read the document carefully.

4. Property claims

These claims are paid based on the value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis. Deductions will be made in respect of wear, tear and depreciation.

5. Limits

This insurance has limits on the amount the insurer will pay under each section. Some sections also include other specific limits, for example, for any one item or for valuables in total.

6. Excesses

Under some sections of this insurance, claims will be subject to an excess. This means each person will be responsible for paying the first part of their claim under each applicable section.

7. Reasonable care

You need to take all reasonable care to protect yourself and your property, as you would if you were not insured. Any amounts the insurers will pay for property left unattended in a public place or unattended vehicle is very limited, as specified in the wording.

8. Dangerous sports & pastimes

You may not be insured if you are going to take part in dangerous sports or pastimes where there is a generally recognised risk of injury. Please check that this insurance covers you, or ask us.

9. Customer service

We always try to provide a high level of service. However, if you think we have not lived up to your expectations, please refer to the wording which outlines our customer service & complaints procedure.

10. Cancellation rights

This insurance contains a 14 day 'cooling off' period during which you can return it and get a full refund, providing you have not travelled and there are no claims. Able2travel reserve the right to deduct from the rebate of premium the reasonable costs incurred in processing the original sale and cancellation. Please note the cancellation rights do not apply if your contract is a short term insurance of less than one month duration.

11. Fraudulent claims

It is a criminal offence to make a fraudulent claim.

12. Eligibility

This policy is only available if you are permanently resident in the United Kingdom, Channel Islands or Isle of Man and you are registered with a medical practitioner in your home country and you are in your home country at the time of purchasing this policy.

Period of insurance

If you have paid the appropriate annual multi-trip travel insurance premium and you are under 70 years old at the time of purchase of the policy, the overall period of insurance shall be for 12 months starting from the date shown. This insurance then covers an unlimited number of holiday/leisure trips starting within that period, provided that no single trip is intended to be for longer than the maximum number of days shown in the benefits schedule for the cover you have bought. Wintersports are covered up to the total number of days shown in the benefits schedule. If you have bought the double cover you are also insured when travelling on business.

Except as stated below, cover for each separate trip under this insurance starts when you leave your home or place of business in your home country at the start of your trip, and finishes immediately when you return to your home or place of business in your home country.

You are only covered for the period for which a premium has been paid and in any event the total period of any one trip must not exceed the period shown in the benefits schedule.

For cancellation only (section 1), cover starts from the date shown on your certificate or the date you book your trip, whichever is the later.

If you are going on a one-way trip all cover will finish 48 hours after your arrival in the country of final destination.

If your return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of delay.

Territorial limits

You are covered for trips to countries within the following areas provided that you have paid the appropriate premium, as shown in your certificate:

- Area 1** The United Kingdom (being England, Scotland, Wales and Northern Ireland), the Channel Islands and the Isle of Man.
- Area 2** Europe (other than area 3 countries as listed below) - Austria, Azores, Belgium, Bulgaria, Corsica, Croatia, Czech Republic, Denmark, Finland, France, Germany, Gibraltar, Hungary, Iceland, Italy, Liechtenstein, Luxembourg, Madeira, Malta, Monaco, Netherlands, Norway, Poland, Portugal, Republic of Ireland, Romania, Russia (west of the Ural mountains), San Marino, Sicily, Slovak Republic, Slovenia, Sweden.

VOY/A2T/2012

For the attention of all insured persons and medical attendants.

If any insured person has to go to hospital as an in-patient during your trip or require medical treatment that will cost more than £250 our nominated 24 emergency service MUST be contacted BEFORE making any arrangements. If this is not possible because the condition requires immediate treatment to save life or limb, our nominated emergency service must be contacted as soon as possible thereafter (see condition (a) of section 2 - emergency medical expenses). Failure to obtain proper authorisation will mean the insurers are not liable for the expenses.

How to make a claim

For all claims other than medical emergencies please request an appropriate claim form by telephoning:

White Horse Administration Services Ltd on:

0871 664 7995

(Calls may cost 10p per minute from a BT landline depending on your call plan. Calls from mobiles and other networks may be extra).

Please do not send in any documentation until you have a completed claim form to go with it. The claim form lists the additional documentation necessary to support your claim. Always make sure that any loss or theft is reported to the police within 24 hours and a written report obtained. If your baggage is damaged or lost in transit whilst "checked-in" you must report it to the handling agents or airline immediately on collection and obtain a Property Irregularity Report. These reports (if applicable to your claim), together with evidence of ownership and any other requested documentation, must be submitted with your claim form.

Material facts

You MUST tell Able2Travel all material facts. A material fact is one that is likely to influence us in accepting your insurance. This could be the state of your health or that of a close relative or any planned hazardous activities. If you are in any doubt as to whether a fact is 'material', you should tell Able2Travel by calling 0845 839 9345. If you do not tell us this may result in your claim being invalid.

Benefits schedule

The benefits schedule referred to in the wording, setting out the sections covered and limits that apply, can be found on page one of this policy wording.

Validity of issue

The insurance is only valid provided it is issued no later than 31st January 2013 and a properly completed certificate is attached.
